Subject: Confirmation of Deliverables — "What Quantum Industry Wants?"

Dear Team,

As discussed, kindly keep a note of the following as a confirmation from our end regarding the deliverables for the event "What Quantum Industry Wants?", an industry-academia conclave on World Quantum Day, 14 April 2026, organised by the Interdisciplinary Centre for Quantum Computing (ICQC), IIT Indore, in collaboration with the National Quantum Mission (NQM).

Confirmed Deliverables

1. Website: The dedicated event website is live and accessible at:
<https://shashankg687.github.io/what-qi-wants/>
2. Logo Placement: Logos of both the QMD Foundation and the National Quantum Mission (NQM) have been placed on the event website (update under progress).
3. Participant Details: We have received applications from 250+ participants from India, Japan, Canada, USA, Middle East, and Europe.
4. Concluding Report: A comprehensive concluding report about the event, as promised in the proposal, will be shared post the event.

We remain committed to delivering on these and look forward to continued support from your end.

Warm regards,

Dr. Shashank Gupta

Assistant Professor, Department of Physics & ICQC

Indian Institute of Technology Indore
